The Union recognizes and supports the commitment of the University to provide the very best in educational opportunities to all students. The University recognizes and respects the Union's commitment to advocating for the interests of its members.

The nature of our relationship is reflected in our ongoing collaboration to resolve issues of mutual interest as well as differences as they arise. We are committed to resolving disputes through such collaborative processes and, when necessary, the Grievance and Arbitration Procedures established in this Agreement, including its emphasis on informal resolution.

The University and the Union also agree that any public statements made during the term of this Agreement concerning any dispute or proceeding between the University and the Union will be consistent with the spirit of professionalism and civility that the parties have committed to maintain.

The parties are committed to promoting an awareness, understanding, and respect of diverse interests, opinions, and experiences and recognize the value such diversity has in providing a high quality education to every student. A culture that encourages collaboration and respect is vital to a positive work environment.

## **A NOTE ON GENDER INCLUSIVITY**

As institutions fully committed to gender inclusivity, the University and the Union have agreed to use "they," "their" and "them" as singular, gender-neutral pronouns throughout this Agreement.

## **ARTICLE 1**

### **RECOGNITION AND BARGAINING UNIT DESCRIPTION**

1.1 Pursuant to the Certification of Representative issued by the National Labor Relations Board in Case No. 1-RC- 197023, Tufts University (hereinafter referred to as the "University") hereby recognizes the Service Employees International Union Local 509, hereinafter referred to as the "Union," as the sole and exclusive collective bargaining representative of all Ph.D students enrolled and working in the Graduate School of Arts and Sciences who provide instructional or research services, whether as a Teaching Assistant, a Graduate Instructor, or a Research Assistant as a condition of receiving a stipend.

1.2 Excluded from the bargaining unit are all undergraduate students; all post-baccalaureate students who work or provide services outside of the Graduate School of Arts and Sciences; students who are compensated on an hourly basis, who have no current work or service obligations, or who work only in the Experimental College or Summer School; all other faculty; all other employees, managers, confidential employees, guards and supervisors as defined in the Act.

1.3 When the term "Graduate Assistant" is used in this Agreement, it shall refer to a member of the bargaining unit as defined in this Article.

## **ARTICLE 2**

### **BARGAINING UNIT INFORMATION**

2.1 FERPA Release/Waiver.

A. The University shall provide all Graduate Assistants performing bargaining unit work with a form that, when signed voluntarily, will constitute a written valid waiver of their privacy rights under the Family Education Rights and Privacy Act (FERPA) and affirm their consent to release non-directory information sought by the Union for representation purposes as set forth in this Article.

B. This form will be included in the Graduate Assistant's original hiring paperwork along with a communication that will indicate that the Union is their exclusive bargaining representative when the Graduate Assistant is engaged in bargaining unit work covered by this Agreement. The communication will also include, at minimum, information about the following:

(1) The Union has a legal obligation to represent the Graduate Assistant when they are engaged in bargaining unit work and that to do so, the Union requires information about its members so that it is properly prepared to enforce the Collective Bargaining Agreement negotiated with the University;

(2) In order to avoid any conflict between the National Labor Relations Act, which grants the Union the right to access this information, and FERPA, which protects certain information in a Graduate Assistant's student records, the Graduate Assistant will be asked to sign the form to grant the Union access to records maintained by the University which relate to employment covered by this Agreement; and

(3) Contact information for the Union and the University to raise any questions about the FERPA release/waiver, and/or how the information shared with the union may be used.

C. In addition to any specific language the University determines is legally required, it shall communicate the information in this Section in plain language that prioritizes clarity and comprehension.

If any Graduate Assistants initially reported are later excluded from the bargaining unit due to a change in appointment, the University shall notify the Union as soon as possible.

2.5 Provided a properly executed FERPA release has been provided by the Graduate Assistant to the University within two (2) weeks of the end of the ADD period each semester, the University will provide the Union with the following information for all members of the bargaining unit regarding:

### **ARTICLE 3**

#### **NO STRIKE – NO LOCKOUT**

3.1 During the term of this Agreement or any extension thereof, the Union, its representatives, agents, and members will not (with respect to the bargaining unit covered by this Agreement) cause, assist, encourage, participate in, condone, ratify, or sanction any strike, sympathy strike, work stoppage, sit-down, slow-down, curtailment of work, or withholding or delaying of any grades, academic evaluations, or other documents, insofar as these actions would affect the University, nor shall any Graduate Assistant engage in such conduct.

3.2 Any Graduate Assistant engaging in any conduct prohibited by this Article is subject to immediate disciplinary action. The question of whether the Graduate Assistant violated this Article is subject to challenge under the Grievance and Arbitration Procedures of this Agreement. However, the University's decision to discipline, suspend or discharge a Graduate Assistant for such violation shall not be subject to challenge under the Grievance and Arbitration Procedures.

3.3 In the event that any Graduate Assistant violates the provisions of Section 3.1, the Union shall immediately inform such Graduate Assistant(s) through all reasonable means that such action is prohibited under this Agreement and that such Graduate Assistant(s) should cease such action and return to full, normal, and timely work. It is also a violation of University policy to retaliate against any individual for filing a complaint of discrimination or for cooperating in an investigation of alleged discrimination (protected activity). Unlawful discrimination has no place at the University and offends the University's core values, which include a commitment to equal opportunity and inclusion.

4.2 The University also maintains its commitment to affirmative action and a community that is truly integrated, diverse and inclusive.

4.3 The University shall not discriminate against any Graduate Assistant on the basis of Union membership status or Union activity.

4.4 Graduate Assistant Responsibilities. The Union acknowledges that, like other University employees, Graduate Assistants covered by this Agreement are subject to University policies prohibiting discrimination and harassment, as referenced in this Article. Graduate Assistants acting in a teaching or supervisory capacity, including laboratory supervisors, are subject to the same reporting requirements for their students or those they supervise as other teachers and supervisors, and the University shall provide training regarding these requirements.

## **ARTICLE 5**

### **PROFESSIONAL RIGHTS**

5.1 The Union and the University recognize that Graduate Assistants work under the supervision, coordination and authority of faculty.

5.2 When providing instructional services, Graduate Assistants will have reasonable latitude to exercise their judgment in deciding how best to accomplish the learning objectives of a course, while recognizing that some consistency across classes or sections is required. While they also teach under the supervision of a faculty member or of the faculty of the department and school, they also are entitled to freedom in discussion of the subject matter.

5.3 Working in a laboratory or a research group, Graduate Assistants should participate in discussion with their mentors, advisors or supervisors, as well as others working on the project, and are free to offer their own opinions and interpretations in those discussions. In working for a principal investigator on funded or unfunded research, Graduate Assistants should feel free to

offer their independent judgment, while recognizing that the grant or project has objectives and that the principal investigator is the final arbiter.

5.4 As employees, Graduate Assistants may avail themselves of assistance from the Office of the Vice Provost of Research should they have any research-related concerns.

## **ARTICLE 6**

Graduate Assistants are responsible for immediately reporting situations involving unsafe working conditions to their supervisor and/or Tufts University Environmental Health & Safety (EHS). These meetings shall not be used for negotiations or to discuss pending grievances. If neither party deems it necessary to hold a meeting, that meeting may be cancelled. The Union will send proposed dates for the meetings that take place within each Fall and Spring semester by the tenth (10th) day of classes of that semester. Failure to propose dates by this deadline shall not void the right to hold a labor-management committee meeting that semester. Designated representatives of the Union and the University will suggest agenda items prior to each meeting. The parties will designate their own representatives to the committee.

## **ARTICLE 8**

### **MANAGEMENT RIGHTS**

8.1 All management functions, rights, and prerogatives, written or unwritten, which have not been expressly modified or restricted by a specific provision of this Agreement, are retained and vested exclusively in the University and may be exercised by the University at its sole discretion. Such management functions, rights, and prerogatives include, but are not limited to,

8.3 The parties recognize that members of the bargaining unit are first and foremost students in the University's graduate programs, and even when performing work as defined by this Agreement, they nonetheless remain as students. 8.5 The University, in not exercising any function hereby reserved to it in this Article, or in exercising any such function in a particular way, will not be deemed to have waived its right to exercise such function or preclude the University from exercising the same in some other way.

## **ARTICLE 9**

### **EMPLOYEE RIGHTS AND RESPONSIBILITIES**

9.1 **Written Policies.** Any written University, School, and/or Departmental policies that affect employment, to the extent they exist, shall be made available to the Graduate Assistant before the beginning of their appointment, with updates provided as available. The Graduate Assistant will initiate contact and work with the appropriate University office or representative to identify and confirm space as may be necessary and appropriate pursuant to this section.

## **ARTICLE 10**

### **UNION RIGHTS**

10.1 Outside representatives of the Union shall have reasonable access to the University's facilities for the transaction of necessary Union business relating to this Agreement so long as normal business and classroom activities are not disrupted; attempted disruption is also prohibited. 11.4 Amounts.

- A. Each year, the Union shall establish and certify in writing to the University's Senior Director of Tufts Support Services the amounts of dues and agency fees applicable to the bargaining unit. In addition, the Union will communicate any caps applicable to dues and/or fees with respect to the bargaining unit. The most current payroll deduction authorization form for any deductions authorized under this Article shall also be provided by the Union to the University
- B. The University will adjust prospectively the amount of dues and/or fees it deducts within two (2) pay periods of receiving written notice from the Union that these amounts have changed.

11.5 Penalty for failure to pay required dues or fees. Upon written request of the Union, and after providing notice to the bargaining unit member, the University will suspend without pay for a period of two (2) weeks when classes are not in session any bargaining unit member who had failed to either join the Union or pay an agency fee as described in this Article. This penalty shall only be imposed once per academic year. Such suspensions are not grievable.

11.6 COPE Contributions. The University agrees to deduct voluntary contributions made by Graduate Assistants to the SEIU Local 509 Committee on Political Education (COPE) and to remit said contributions to the Union at the same time union dues and agency fees are remitted. Authorization forms submitted to the University will be processed prospectively on the next payroll and not retroactively.

A. Each payday, the University shall deduct from a Graduate Assistant's total compensation a sum of dues, agency fees, and/or COPE contributions owed the Union and authorized under federal labor law, provided the Graduate Assistant has furnished the University a written assignment executed in accordance with law.

B. Authorization. The Union will provide to the University a suitable form for the authorization of this payroll deduction. Authorization forms submitted to the University will be processed prospectively on the next payroll and not retroactively. The Union shall be ultimately responsible for obtaining executed written assignments from existing Graduate Assistants and may obtain these authorizations electronically. However, the University shall cooperate with the Union in seeking compliance with this provision by:

The Union may report missing or incorrect deductions to Tufts Support Services (tss@tufts.edu) and the Faculty Affairs Office in writing as they become known and shall encourage the members of the bargaining unit to raise any errors with dues, fees, or contribution deductions in a timely manner with those same offices.

(1) The University will correct payroll deductions processed incorrectly and will endeavor to correct a payroll deduction error of which it becomes aware—whether through its own review or by notification of a Graduate Assistant or the Union—during the next pay period, or within a reasonable amount of time based on administrative requirements and the circumstances.

(2) Should the University fail to make the above deduction for two (2) consecutive pay periods notwithstanding its receipt of a valid written authorization and receipt of written notice of its error, the Union may issue notice to the University that it shall be liable to the Union for the amount thereof.

(a) The University shall remit such payment to cover its liability within forty-eight (48) hours after receipt of written notice of the amount due.

(b) This shall not constitute a waiver of the right of the University to collect or recover the monies directly from the Graduate Assistant.

11.8 Indemnification. The Union hereby agrees that it shall indemnify, defend, and otherwise hold the University harmless against any and all claims, demands, actions, or proceedings by a Graduate Assistant arising out of or by reason of action the University takes pursuant to this Article.

  - (c) If known, information about any mandatory employment meetings; and
  - (d) If known, any specific requirements of the course, including but not limited to, any required or standard syllabus, textbook, or other instructional materials.

  - (b) If known, any days or times when the Graduate Assistant's presence will be required in the assigned work area; and
  - (c) If known, information about any mandatory employment meetings.

12.5 Graduate Assistants may request the opportunity to teach a variety of courses and labs, including elective, required, and core courses and labs. Nothing in this Agreement shall prohibit granting such a request.

## **ARTICLE 13**

### **WORKLOAD**

13.1 The Union acknowledges that the specific hours worked each week will fluctuate for some Graduate Assistants due to the nature of their work. The Union also acknowledges that the work of a Research Assistant may overlap with the academic work of the student in the degree program.

13.2 No Graduate Assistant shall be compelled or pressured to work more than an average of twenty (20) hours per week as part of their assistantship.

13.3 A Graduate Assistant who believes their assigned workload cannot reasonably be completed within the time limits specified in Section 13.2 may bring such concerns to their Supervisor. The Supervisor shall discuss any such concerns and, as warranted, may make adjustments to workload requirements.

## **ARTICLE 14**

### **PROFESSIONAL FEEDBACK**

14.1 Supervisors shall provide regular feedback to Graduate Assistants on the work they perform, including advice, guidance, and support on how to improve their performance. Flexibility in such feedback is encouraged, so as to address the broad nature of work performed by Graduate Assistants and their individual needs.

14.2 Notwithstanding the flexibility encouraged in Section 14.1, the following minimum standards shall be met by the Graduate Assistant's Supervisor.

A. Early Intervention. In the event that a Supervisor has reasonable concerns about a Graduate Assistant's performance, they shall meet with the Graduate Assistant as soon as practicable to discuss such concerns and provide the necessary guidance and support for the Graduate Assistant to improve.

B. Written Feedback. Supervisors shall provide written feedback to each Graduate Assistant they supervise at least once per semester (which may include at the conclusion of the semester). University Units are encouraged to adopt their own forms or procedures for determining the parameters of such written feedback. A sample form is included in this Agreement as Appendix B; any Unit may use this form as their standard.

C. The written feedback will include an emphasis on encouragement, and/or the development of skills, and/or practices, and/or techniques, as appropriate.

D. The Graduate Assistant may request and receive an in-person meeting to discuss the written feedback provided by the Supervisor.

14.3 A Graduate Assistant may also request and receive an annual review of their performance if performance feedback previously provided by the Supervisor does not address the Graduate Assistant's performance over the year in which work was performed.

## **ARTICLE 15**

### **PERSONNEL FILES**

15.1 The University will maintain basic personnel records for Graduate Assistants in the GSAS Dean's Office. A Graduate Assistant may review their personnel file by appointment with the GSAS Dean's Office. Upon their written request, the Graduate Assistant will be given, within ten (10) business days, a copy of any item(s) in such file(s).

15.2 Union representatives may be present at the review and examine the documents provided the student whose file is at issue has signed a FERPA waiver or has otherwise provided written consent to the GSAS Dean's Office.

15.3 Neither the Graduate Assistant nor the Union representative may remove any documents or items from the file.

## **ARTICLE 16**

### **DISCIPLINE AND DISCHARGE**

16.1 Discipline related to employment shall not include consequences to a Graduate Assistant's student status; any incidents that could affect both student status and employment must be handled separately. The Union acknowledges it has no right to interfere with or grieve decisions regarding student status, including such decisions that may impact a student's employment, unless the decision is prompted by employment activities.

16.2 Discipline may include written warnings, unpaid suspensions, or discharge from employment.

A. A Graduate Assistant will not be disciplined, suspended, or discharged without just cause.

B. Non-reappointment or the failure to offer an appointment to a Graduate Assistant shall not be considered the same as discharge and may not be grieved.

C. At the discretion of the Dean of the Graduate School, a Graduate Assistant may be placed on paid administrative leave to permit the University to investigate potential or alleged misconduct that may result in discipline. Being placed on paid administrative leave is not itself a disciplinary action.

D. Discipline for purposes of this Article shall not include performance evaluations or feedback.

E. Reassignment shall not be used as a disciplinary measure.

16.3 It is understood that the University, in addition to issuing disciplinary action, may also include with such discipline reasonable remedial measures, when appropriate, with which the Graduate Assistant must comply, provided the remedial measures are rehabilitative rather than punitive.

16.4 A Graduate Assistant may request that a Union representative be present at any investigatory meeting that the Graduate Assistant reasonably believes may lead to discipline and/or at a meeting where discipline is to be administered. Such requests shall not be unreasonably denied. The University shall notify a Graduate Assistant of this right before commencing any such meeting.

## **ARTICLE 17**

### **GRIEVANCE AND ARBITRATION**

17.1 A prompt and efficient method of settling grievances, as herein defined, is both desirable and necessary. This is the sole and exclusive procedure for the resolution of grievances under this Agreement. Moreover, notwithstanding the availability of the formal procedures of this Article, it is agreed that an informal resolution of any dispute is desirable. The parties agree that such informal resolution shall occur, if possible, by direct discussion between the Union and the University.

17.2 General Provisions.

A. Time Limits.

(1) Except for the initial filing of a formal grievance, all time limits for union grievances regarding employees on nine (9)-month or shorter appointments shall be suspended during the period between the University's Commencement and the first day of class in the Fall semester; except for the initial filing of a formal grievance, all time limits shall be suspended during the period between the last day of class in the Fall semester and the first day of class in the Spring semester. This shall not prohibit the parties from proceeding with the formal procedures of this Article during these times by mutual consent.

(2) All time limits herein may be extended by mutual agreement expressed in writing.

(3) Unless the parties have agreed in writing to a specific extension of time, any grievance or demand for arbitration which is not filed at each Step within the time limits contained herein shall be deemed waived and there shall be no further processing of the grievance or any arbitration thereon.

(4) Failure by the University at any Step to communicate its response within the specified time limits shall permit the Grievant to proceed to the next Step.

(5) Failure by the Grievant to comply with the time limitations of Step 1 shall preclude any subsequent filing of the grievance.

B. The filing or pendency of a grievance under the provisions of this Article shall not prevent the University from taking the action complained of, subject, however, to the final decision of the Arbitrator.

C. Any grievance filed by the Union on behalf of two (2) or more Graduate Assistants may be initiated at Step 2. Additionally, as to any other grievance, the parties may proceed initially at Step 2 if by mutual agreement, in writing.

17.3 Discrimination Grievances. If a grievance involves allegations that the University has discriminated on the basis of any provision established in Article 4.2, or based on any other class protected under University policy or applicable law, it will be processed through the procedures of the University's Office of Equal Opportunity. The matter will be investigated and the University shall make final determination on whether or not discrimination has occurred and take any necessary action. If the Union is dissatisfied with the University's final actions, the Union may take the matter to mediation and arbitration by serving notice in accordance with this Article.

17.4 Initial Filing. An aggrieved Graduate Assistant or the Union shall present a grievance within twenty-one (21) days after the Grievant became aware of, or reasonably could have known about, the action being contested. The grievance must be reduced to writing and must specify the nature of the grievance, the provision(s) of this Agreement at issue, and the relief requested.

17.5 Grievance Process. The following Steps shall be followed in the processing of grievances:

A. Step 1. The Graduate Assistant or Union representative shall file the grievance with the Graduate Director. The Graduate Director shall meet with the Graduate Assistant and/or Union representative within fourteen (14) days of receipt of the grievance to discuss and attempt to resolve the grievance. If the grievance is not resolved at this meeting, the Supervisor shall respond in writing to the Union within fourteen (14) days of the meeting. The Graduate Director may ask the Graduate Assistant's direct supervisor on the particular work at issue, as appropriate, to join in the Step 1 process and will so notify the union and the Graduate Assistant.

B. Step 2. A grievance not resolved at Step 1 may be appealed in writing by the Union to the Dean of the Graduate School or their designee, within fourteen (14) days of receipt of the Step 1 response, or at least fourteen (14) days after the deadline for the Step 1 response if none was received. The Union's representative will contact the Dean's office after filing the grievance to schedule a meeting to be held as soon as practicable, but no later than fourteen (14) days after the filing. The Dean or their designee shall meet with the Graduate Assistant and Union representative(s) for the purpose of attempting to resolve the grievance. If the grievance is not resolved at this meeting, the Dean or their designee shall respond to the Union in writing within fourteen (14) days of the meeting.

C. Mediation. A grievance not resolved at Step 2 may be processed to mediation by the Union by giving written notice to the University within fourteen (14) days of the Step 2 response, or at least fourteen (14) days after the deadline for the Step 2 response, if none was received. Only the Union may process a grievance to mediation. In such a case, the parties will attempt to agree upon a Mediator, but if they cannot do so within fourteen (14) days of the notice of mediation, they will agree to use the Federal Mediation and Conciliation Service and its procedures. Once appointed, the Mediator and the parties shall mutually agree upon a date for mediation and will endeavor to resolve the grievance at that meeting.

D. Arbitration. A grievance not resolved in mediation may be appealed to arbitration by the Union by giving written notice to the University within fourteen (14) days of the last mediation session. Only the Union may process a grievance to arbitration. In such a case, the parties will attempt to agree upon an Arbitrator. However, if they cannot agree, within fourteen (14) days of the Union's notice of appeal to arbitration the Union will request a list from the American Arbitration Association and selection shall be made in accordance with the Voluntary Labor Arbitration Rules of that body.

(1) Arbitration will be conducted in accordance with the Rules of the American Arbitration Association.

(2) Each party shall bear the expense of preparing and presenting its own case. The compensation, fees, and expenses of the Arbitrator, and the cost of any hearing transcript, shall be borne equally by the Union and the University.

(3) Unless otherwise mutually agreed, each arbitration hearing shall deal with no more than one (1) grievance.

(4) The Arbitrator shall have no power to add to, subtract from, modify or disregard any of the provisions of this Agreement. The Arbitrator shall have no jurisdiction or authority to issue any award changing, modifying, or restricting any action taken by the University on matters reserved to the University's discretion as per Article 8 (Management Rights) unless those actions are restricted by other terms of this Agreement.

(5) The decision of the Arbitrator shall be final and binding on the parties, although each side retains whatever rights it has under state or federal law to challenge the decision and award.

17.6 If a Graduate Assistant must miss any work shift because they are required to attend a meeting pursuant to any Step of the grievance process, there will be no loss of compensation. However, the Graduate Assistant shall be responsible for scheduling a make-up class or arranging sufficiently in advance of the scheduled class or assigned research related work duties for a suitable replacement (or alternative) acceptable to the Graduate Director and Supervisor. Such approval shall not be unreasonably denied. Graduate Assistants shall not bear the costs of a substitute worker if the Graduate Director and Supervisor agree that arranging for a substitute is appropriate.

17.7 Anti-Waiver. If the Union does not file a formal grievance over any instance of non-performance or violation of any term or condition of this Agreement, this shall not be taken as a waiver of the right to file grievances over the same type of non-performance or violation in the future.

17.8 Precedent. In the event an individual Graduate Assistant and the University settle a dispute without the written and express agreement of the Union, that settlement will not create a precedent for either party in the interpretation or application of this Agreement.

## **ARTICLE 18**

### **COMPENSATION**

18.1 It is understood that the Union has no authority, nor shall the University be obligated, to negotiate over stipends or other financial matters for graduate students who are not members of the bargaining unit. The provisions of this Article only apply when a graduate student is working as a member of the bargaining unit.

18.2 Stipend. When a graduate student enters the bargaining unit, either as a teaching assistant or as a research assistant, they will be paid a stipend in accordance with this Article. Beginning with the first pay period of Fiscal Year 2020, each Graduate Assistant on a nine (9)-month appointment shall receive a stipend in accordance with their assigned department as set forth in Appendix C. With written approval of the GSAS Dean, departments may pay more than the minimum rate.

18.3 Pro Rata. Graduate Assistants who are appointed to either fewer or more than nine (9) months of work shall receive compensation on a pro rata basis.

18.4 Advanced Instructor of Record Pay. In addition to the stipends listed in Section 18.2, Graduate Assistants who teach a course as an "instructor of record" shall receive an additional \$1,000 per course beginning with their second semester as an instructor of record and for every semester thereafter.

18.5 Annual Adjustments. The stipend specified in Section 18.2, as well as any pro rata amounts as per Section 18.3 and additional instructor of record pay as per Section 18.4, shall increase by two and a half percent (2.5%) starting with the first pay period of Fiscal Year 2021. The same adjustment shall be made during the first pay period for FY 2022 and for FY 2023. These figures are illustrated in Appendix C.

18.6 Maintenance of Status. The University shall not offer less compensation commensurate with appointment to its Graduate Assistants than it offers at the time this Agreement is ratified.

18.7 Non-exclusivity. Nothing in this article shall prohibit a Graduate Assistant from participating as an instructor of record through the Summer School (with compensation in accordance with the Summer School compensation policy), or in any other voluntarily accepted assignment provided any additional assignment is consistent with all applicable laws.

18.8 Limitations and Research Compliance Requirements.

A. Graduate Assistants on contracts or grants shall receive the salary increases for their compensable work equivalent to similar graduate assistants on regular funding, provided that such salary increases are permitted by the terms of the contract or grant and adequate funds are available for this purpose in the contract or grant.

B. Nothing contained herein shall prevent Graduate Assistants whose salaries are funded by grant agencies or auxiliary funds from being paid more than provided in this Agreement. Distribution of any compensation for graduate assistants on contracts or grants shall be in compliance with all applicable law, federal rules and regulations, and sponsor requirements.

C. In the event that the contract or grant does not support the compensation increases provided for in this Article, the Graduate Assistant will receive only such salary increase consistent with what the contract or grant provides. The University may in its sole discretion supplement that difference between what the Graduate Assistant would have received under this Article and what the contract or grant provides. However, this decision by the University whether or not to provide such supplemental funding is not grievable.

## **ARTICLE 19**

### **PAYDAY**

19.1 A Graduate Assistant shall be paid on a timely basis, in accordance with the University's normal business operations, for the teaching and other compensable duties they performed, provided the Graduate Assistant has submitted to the University, in a timely fashion, all documentation or information necessary for the processing of said payment.

19.2 Pay Stubs. Graduate Assistants shall receive an itemized pay stub identifying any applicable tax withholdings; this shall normally be available in electronic form.

19.3 The precise payday shall be the same day set for others in the University who are similarly situated.

19.4 Direct Deposit. The University pays employees through Direct Deposit. Graduate Assistants are required to provide their bank information in order for pay to be electronically deposited. Payroll information may be retrieved in Employee Self-Service one (1) day before the pay date.

19.5 Emergency Payments. In the event that an error on the part of the University prevents the timely payment of a Graduate Assistant, the Graduate Assistant may request and receive payment by contacting Tufts Support Services during normal business hours. In such cases, the University shall provide payment through whatever means are most expedient, including (but not limited to) the issuance of a physical check payment and shall endeavor to provide payment whenever possible within twenty-four (24) hours, or as soon as is administratively possible.

## **ARTICLE 20**

### **PROFESSIONAL DEVELOPMENT AND TRAINING**

20.1 Professional Development Opportunities. The University shall make on-campus professional development opportunities organized by the School of Arts & Sciences available to Graduate Assistants.

A. Graduate Assistants may attend any professional development activity hosted or sponsored by the School of Arts & Sciences, free of charge.

B. The Union shall notify the University as to the need for any Graduate Assistant-specific professional development opportunities beyond those already offered. The University will make reasonable attempts to provide such opportunities, or to provide access to such or similar opportunities through other means (e.g., arranging access to attend opportunities at other universities or community providers).

20.2 Training. Mandatory training (whether department-level or multi-departmental level) shall be provided to all Graduate Assistants before they perform instructional or research services for the first time. Graduate Assistants will be required to attend any such scheduled training, and as such, the mandatory training shall count toward the Graduate Assistant's workload. Credit bearing courses that provide developmental training shall satisfy the goals of this section. However, taking such courses shall not count towards the Graduate Assistant's workload.

20.3 Nothing in this Agreement shall affect the University's ability to provide professional development opportunities that are intended solely for faculty members.

## **ARTICLE 21**

### **BENEFITS AVAILABLE TO GRADUATE STUDENTS**

21.1 GSAS Student Benefits Generally. The parties agree that all Graduate Assistants' primary affiliation with the University is as students and that they receive a number of student benefits which are available to them as a result. These benefits and leaves shall not be impacted by this Agreement and the University reserves the right to modify the student benefits and leave policies set forth herein in its sole discretion.

21.2 Enhanced Benefits. Some of these benefits, as enhanced herein, include:

A. GSAS Student Health Insurance and Fee. All full-time Ph.D students in good academic standing subject to the policies, procedures, terms and conditions of the GSAS Handbook and applicable plan documents receive a fully funded individual health insurance plan in grades 1-5 and will be extended coverage in grade 6 for GSAS students whose Ph. The University reserves the right to modify the student health insurance plan, including but not limited to, changes to coverage and cost, in its sole discretion.

B. Parental Accommodation for GSAS Students. All full-time Ph.D students in good academic standing will be entitled during the academic year and subject to the policy, procedures, terms and conditions of the GSAS Handbook, to twelve (12) continuous weeks of paid parental accommodation for the birth of a child, adoption of a child, or placement of a child or foster-child. This benefit will not be eliminated or changed during the life of this Agreement.

C. Public Transit Subsidies. GSAS students shall be eligible to receive a transit pass subsidy of thirty-five percent (35%) to a limit of up to forty dollars (\$40) per month. This benefit will not be eliminated or changed during the life of this Agreement, and shall be subject to the policies, procedures, terms and conditions of the GSAS Handbook.

D. Back-Up Child and Adult Care. The University shall provide GSAS students with access to subsidized adult and child care services through the University's program with Care.Com pursuant to any and all applicable rules and requirements for the program, and subject to the policies, procedures, terms and conditions of the GSAS Handbook.

21.3 Enhanced benefits as described in this Article will take effect July 1, 2019.

**ARTICLE 22**

**SEPARABILITY**

23.1 If any provision of this Agreement, in whole or in part, is declared to be illegal, void or invalid by any court of competent jurisdiction or any administrative agency that has jurisdiction, all of the other terms, conditions and provisions of this Agreement shall remain in full force and effect, to the same extent as if the invalid provision had never been part of the Agreement. In such an event, the remainder of this Agreement shall continue to be binding upon the parties to it. In such event, upon thirty (30) days' notice from either side, the parties agree to renegotiate any provision that has been invalidated.

23.2 In the event that the National Labor Relations Board, a federal Court of Appeals, or the U.S. Supreme Court should find that Graduate Assistants do not qualify as employees under the National Labor Relations Act, this Agreement shall continue in full force until the date of its expiration, as per Article 24, subject to the provisions of Section 23.1.

**ARTICLE 23**

**DURATION OF AGREEMENT**

24.1 Duration. This Agreement shall be in full force and effect from the date of ratification until June 30, 2023.

24.2 Continuance. This Agreement shall continue from year to year after its original duration, renewing annually on July 1, unless written notice to negotiate a successor Agreement is served by either party upon the other by certified mail (with return receipt) and such notice is received no later than ninety (90) calendar days prior to the expiration date.
