Explanation of Benefits

Making it easy for you to get quality health care is only part of our mission.

We also make it easy for you to understand the costs. Our Explanation of Benefits uses simple language and only includes the information you need to know. Take a look at the sample below.

The Summary page gives an overview of how your benefits are working for you – quickly see how much was submitted, how much has been paid, and what may be your responsibility.

Your Explanation of Benefits is a summary of how your claims were processed and what you may owe, not a bill. Your health care professional or the facility may bill you directly for the remainder of what you owe.

If your claim was billed in local currency, total local currency amount will be listed here.

The amount that you may owe is stated in the Patient Responsibility field.
