GROUP LIFE
INSURANCE CERTIFICATE

TUFTS UNIVERSITY
IMPORTANT NOTICES

The group policy is issued in the state of Delaware and will be governed by its laws.
FOREWORD

Life insurance provides individuals and their families with financial protection. The Life Insurance Benefit described in this booklet will help secure your family's financial security in the event of your death.

The need for life insurance protection depends on individual circumstances and financial situations. This valuable coverage should add an extra dimension to your personal insurance portfolio.

In an effort to make your benefit program more comprehensive and responsive to your needs, your Employer is providing this insurance to you at no cost.
We, the LIFE INSURANCE COMPANY OF NORTH AMERICA, have issued a Group Policy, 03051A, to TRUSTEE OF THE GROUP INSURANCE TRUST FOR EMPLOYERS IN THE SERVICES INDUSTRY on behalf of Tufts University.

This certificate describes the benefits and basic provisions of your coverage. You should read it with care so you will understand your coverage.

This is not the insurance contract. It does not waive or alter any of the terms of the Policy. If questions arise, the Policy will govern. You may examine the Policy at the office of the Policyholder or the Administrator.

This certificate replaces any and all certificates which may have been issued to you in the past under the Policy.

These materials are being made available electronically for your convenience. Cigna has provided the final documents to your employer. Care should be taken to ensure you are reviewing the most complete, accurate and up to date version. Any questions regarding content may be directed to your employer or Cigna.

WHO IS ELIGIBLE

Classes of Eligible Persons

A person may be insured only once under the Policy, even though he or she may be eligible under more than one class. Persons for whom coverage is prohibited under applicable law will not be considered eligible under this policy.

Employee

An Employee in one of the Classes of Eligible Employees shown in the Schedule of Benefits is eligible to be insured on the Policy Effective Date.
WHEN COVERAGE BEGINS

You will be insured on the date you become eligible, if you are not required to contribute to the cost of this insurance.

If you are not in Active Service on the date insurance would otherwise go into effect, it will be effective on the date you return to Active Service.

TL-004712

WHEN COVERAGE ENDS

Coverage will end on the earliest of the following dates:

1. the date you are eligible for coverage under a plan intended to replace this coverage;
2. the date we terminate the Policy;
3. the date you are no longer in an eligible class;
4. the date coinciding with the end of the last period for which required premiums are paid;
5. the date you are no longer in Active Service; and
6. for an Employee, the date the Employer cancels participation under the Policy.

TL-004714

WHEN COVERAGE CONTINUES

Extended Death Benefit
If an Employee is under age 60 and his or her Active Service ends due to Disability and he or she is Disabled on the date his or her Life Insurance Benefits ends, the Insurance Company will continue his or her Life Insurance Benefits as shown in the Schedule of Benefits until the earlier of the following dates.

1. The date you are no longer Disabled.
2. 12 months after the date your Life Insurance Benefits would otherwise end.

Amount of Insurance
If the Employee dies during the period his or her Life Insurance Benefits are continued, the Insurance Company will pay the Life Insurance Benefit in effect on the day before he or she became Disabled. However, the Life Insurance Benefit payable will be subject to the provisions of the Policy that may reduce or terminate coverage on account of age, retirement or a change in eligible class.

TL-008770

“Disability”/ “Disabled” means because of Injury or Sickness you are unable to perform all the material duties of your Regular Occupation; or are receiving disability benefits under the Employer's plan.

“Regular Occupation” means the occupation you routinely perform at the time the Disability begins. We will consider the duties of the occupation as it is normally performed in the general labor market in the national economy.

WHAT IS COVERED

LIFE INSURANCE BENEFITS

Death Benefit
If an Insured dies, we will pay the Life Insurance Benefit in force for that Insured on the date of his or her death.

Conversion Privilege for Life Insurance Each Insured may convert all or any portion of his or her Life Insurance that would end under the Policy due to:

1. termination of employment;
2. termination of membership in an eligible class under the Policy;
3. termination of the Policy; or
4. reduction in insurance based on attained age.

The Insured may apply for any type of life insurance the Insurance Company offers to persons of the same age in the amount applied for, except the Insured may not:

1. choose term insurance;
2. apply for an amount of insurance greater than the coverage amount terminating under the Policy (also, the conversion policy will not provide accident, disability or other benefits); or
3. apply for more than $10,000 of insurance if the Policy is terminated or amended to terminate the insurance for any class of Insureds, or the Employer cancels participation under the Policy. Conversion in these cases is only permitted if the Insured has been covered by the Policy or, any group life insurance policy issued to the Employer which the Policy replaced, for at least 3 years.

If the Insured becomes eligible for coverage under any group life policy within 31 days of termination of coverage under this Policy, the Insured may not convert an amount of insurance greater than the amount of coverage terminating under the Policy less the amount for which he or she may be covered under the other policy.

To apply for conversion insurance, the Insured must, within 31 days after coverage under the Policy ends:

1. submit an application to the Insurance Company; and
2. pay the required premium.

Evidence of insurability is not required.
WHAT IS COVERED

LIFE INSURANCE BENEFITS

(Continued)

Premium for the conversion insurance will be based on the age and class of risk of the Insured and the type and amount of coverage issued.
If the Insured has assigned ownership of his group coverage, the owner/assignee must apply for the individual policy.
Conversion insurance will become effective on the 31st day after the date coverage under the Policy ends provided the application is received by the Insurance Company and the required premium has been paid.
If the Insured dies during the 31-day conversion period, the Life Insurance benefits will be paid under the Policy regardless of whether he or she applied for conversion insurance. If a conversion policy is issued, it will be in exchange for any further benefits for that type and amount of insurance from this Policy.

Extension of Conversion Period

If an Insured is eligible for conversion insurance and is not notified of this right at least 15 days prior to the end of the 31-day conversion period, the conversion period will be extended. The Insured will have 15 days from the date notice is given to apply for conversion insurance. In no event will the conversion period be extended beyond 90 days. Notice, for the purpose of this section, means written notice presented to the Insured by the Employer or mailed to the Insured's last known address as reported by the Employer.

If the Insured dies during the extended conversion period, but more than 31 days after his or her coverage under the Policy terminates, Life Insurance benefits:

1. will not be paid under the Policy; and
2. will be payable under the conversion insurance; provided:
   a. the Insured's application for conversion insurance has been received by the Insurance Company; and
   b. the required premium has been paid.

Prior Conversion Limitation

If an Insured is covered under a life insurance conversion policy previously issued by the Insurance Company, he or she will not be eligible for this Conversion Privilege unless the prior coverage has ended.

WHAT IS NOT COVERED

LIFE EXCLUSIONS

No benefits are payable for war or an act of war, whether or not declared or active participation in a riot which occurs in the Insured’s country of citizenship.

No benefits are payable for an insured on full-time active duty for more than 30 days in the Armed Forces of any nation. (If the Insured sends proof of service, the Insurance Company will refund any premiums paid for coverage during this time. Reserve or National Guard active duty or training are not excluded unless it extends beyond 31 days.)

No benefits are payable for claim payments that are illegal under applicable law.
If you are an Employee and insured under the Policy for Accident Insurance on the date of an Accident, we will pay the Accident Insurance Benefits for a loss shown in the Schedule of Losses. If more than one loss results from the same Accident, we will pay only the largest Benefit Amount to which you are entitled. The loss must be a result of bodily Injuries caused directly, and from no other causes, by an Accident, and must occur within 365 days of the Accident.

7. No benefits are payable for war or an act of war, whether or not declared or active participation in a riot which occurs in the Insured’s country of citizenship.

8. No benefits are payable for claim payments that are illegal under applicable law.
CLAIM PROVISIONS

Notice of Claim
Written notice of claim, or notice by any other electronic/telephonic means authorized by us, must be given to us within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by us, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania or to our agent. Notice should include the Employer's name, the Policy Number and the claimant's name and address.

Claim Forms
When we receive notice of claim, we will send claim forms for filing proof of loss. If we do not send claim forms within 15 days after notice is received by us, the proof requirements will be met by submitting, within the time required under the "Proof of Loss” section, written proof, or proof by any other electronic/telephonic means authorized by us, of the nature and extent of the loss.

Claimant Cooperation Provision
If you fail to cooperate with us in our administration of your claim, we may terminate the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data
The Employer is required to cooperate with us in the review of claims and applications for coverage. Any information we provide to the Employer in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

Proof of Loss
You must provide written proof of loss to us, or proof by any other electronic/telephonic means authorized by us, within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by us, must be given not more than one year after the 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is provided outside of these time limits, the claim will be denied. These time limits will not apply due to lack of legal capacity.
**CLAIM PROVISIONS**

(Continued)

**Time of Payment**
Benefits due under the Policy for a loss, other than a loss for which the Policy provides installment payments, will be paid immediately upon receipt of due written proof of such loss.

Subject to the receipt of satisfactory written proof of loss, all accrued benefits for loss for which the Policy provides installment payments will be paid monthly; any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof, unless otherwise stated in the Description of Benefits.

**To Whom Payable**
Death Benefits will be paid to the Insured's named beneficiary, if any, on file at the time of payment or to the certificate owner if alive. If there is no named beneficiary or surviving beneficiary, Death Benefits will be paid to the first surviving class of the following living relatives: spouse; child or children; mother or father; brothers or sisters; or to the executors or administrators of the Insured's estate. We may reduce the amount payable by any indebtedness due.

All other benefits unless otherwise stated in the Policy, will be payable to the Insured or the certificate owner if other than the Insured.

Any other accrued benefits which are unpaid at your death will, at our option, be paid either to your beneficiary or to the executor or administrator of your estate.

If we pay benefits to the executor or administrator of your estate or to a person who is incapable of giving a valid release, we may pay up to $1,000 to a relative by blood or marriage whom we believe is equitably entitled. This good faith payment satisfies our legal duty to the extent of that payment.

**Change of Beneficiary**
You may change your beneficiary at any time by giving written notice to the Employer or to us. The beneficiary's consent is not required for this or any other change which you may make unless your designation of beneficiary is irrevocable.

No change in beneficiary will take effect until the form is received by the Employer or us. When this form is received, it will take effect as of the date of the form. If you die before the form is received, we will not be liable for any payment that was made before receipt of the form.

**Physical Examination and Autopsy**
We may, at our expense, exercise the right to examine any person for whom a claim is pending as often as we may reasonably require. Also, we may, at our expense, require an autopsy unless prohibited by law.

**Legal Actions**
No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic/telephonic means authorized by us, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time satisfactory proof of loss is required to be furnished.
Time Limitations
If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which you live when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship
You have the right to choose any Physician who is practicing legally. We will in no way disturb the Physician/patient relationship.
ADMINISTRATIVE PROVISIONS

Premiums
The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

If the Insured's coverage amount is reduced due to his or her attained age, premium will be based on the amount of coverage in force on the day after the reduction took place.

Reinstatement of Insurance
Your coverage may be reinstated without satisfying the Insurability Requirement, if your insurance ends because you are on an unpaid leave of absence and you apply for Reinstatement within 31 days of your return to Active Service.

After your insurance ends, it may be reinstated at any date prior to five years after the date of termination if the following conditions are met.

1. The Policy is still in force.
2. You are eligible under the Policy.
3. You send us a written request for reinstatement and a new enrollment form.
4. The required premium is paid.
5. The Insurability Requirement, if applicable, is satisfied.

GENERAL PROVISIONS

Incontestability
All statements made by the Employer or by an Insured are representations not warranties. No statement will be used to deny or reduce benefits or as a defense to a claim, unless a copy of the instrument containing the statement has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Insured's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested except for fraud or eligibility for insurance.

Misstatement of Age
If an Insured's age has been misstated, we will adjust all benefits to the amounts that would have been purchased for the correct age.

Workers' Compensation Insurance
The Policy is not in lieu of and does not affect any requirements for insurance under any Workers' Compensation Insurance Law.

Assignment of Benefits
We will not be affected by the assignment of your certificate until the original assignment or a certified copy of the assignment is filed with us. We will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided insurance under the Policy is in effect. This insurance may not be levied on, attached, garnisheed, or otherwise taken for a person's debts. This prohibition does not apply where contrary to law.
GENERAL PROVISIONS
(Continued)

A person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

Ownership of Records
All records maintained by the Insurance Company are, and shall remain, the property of the Insurance Company.

SUPPLEMENTAL INFORMATION
for
Tufts University Employee Benefits Plan
required by the Employee Retirement Income Security Act of 1974

As a Plan participant in Tufts University Group Welfare Benefit Plan, you are entitled to certain rights and protection under the Employee Retirement Income Security Act of 1974 (ERISA).

You should refer to the attached Certificate for a description of when you will become eligible under the Plan, the amount and types of benefits available to you, and the circumstances under which benefits are not available to you or may end. The Certificate, along with the following Supplemental Information, makes up the Summary Plan Description as required by ERISA.

IMPORTANT INFORMATION ABOUT THE PLAN

• The Plan is established and maintained by Tufts University, the Plan Sponsor.

• The Employer Identification Number (EIN) is 04-2103634.

• The Plan Number is 501.

• The Insurance Plan is administered directly by the Plan Administrator with benefits provided, in accordance with the provisions of the group insurance contract, 03051A issued by LIFE INSURANCE COMPANY OF NORTH AMERICA.

• The Plan Administrator is: Tufts University
  200 Boston Avenue, Suite 1600
  Medford, MA 02155

  The Plan Administrator has authority to control and manage the operation and administration of the Plan.

• The Plan Sponsor may terminate, suspend, withdraw or amend the Plan, in whole or in part, at any time, subject to the applicable provisions of the Policy. (Your rights upon termination or amendment of the Plan are set forth in your Certificate.)

• The agent for service of legal process is the Plan Administrator.

• The Plan of benefits is financed by the Employer.

• The date of the end of the Plan Fiscal Year is December 31.
YOUR RIGHTS AS SET FORTH BY ERISA

As a participant in Tufts University's Insurance Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits
Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries
In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights
If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions
If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefit Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefit Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefit Security Administration.
WHAT YOUR BENEFICIARY SHOULD DO AND EXPECT IF HE/SHE HAS A CLAIM
When your beneficiary is eligible to receive benefits under the Plan, a request must be made for a claim form or to obtain instructions for submitting a claim telephonically or electronically, from the Plan Administrator. All claims submitted must be on the claim form or in the electronic or telephonic format provided by the Insurance Company. A claim must be completed according to directions provided by the Insurance Company. If these forms or instructions are not available, a written statement of proof of loss must be provided. After a claim form or written statement has been completed, it must be submitted to the Plan Administrator.

The Plan Administrator has appointed the Insurance Company as the named fiduciary for adjudicating claims for benefits under the Plan, and for deciding any appeals of denied claims. The Insurance Company shall have the authority, in its discretion, to interpret the terms of the Plan, to decide questions of eligibility for coverage or benefits under the Plan, and to make any related findings of fact. All decisions made by the Insurance Company shall be final and binding on Participants and Beneficiaries to the full extent permitted by law.

Review of Claims for Benefits
The Insurance Company has 45 days from the date it receives a claim for disability benefits, or 90 days from the date it receives a claim for any other benefit, to determine whether or not benefits are payable in accordance with the terms of the Policy. The Insurance Company may require more time to review the claim if necessary due to matters beyond its control. If this should happen, the Insurance Company must provide notice in writing that its review period has been extended for up to two more 30 day periods (in the case of a claim for disability benefits); or 90 days more (in the case of any other benefit). If this extension is made because additional information must be furnished, these extension periods will begin when the additional information is received. The requested information must be furnished within 45 days.

During the review period, the Insurance Company may require a medical examination of the Insured, at its own expense; or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify the Insured of the date and time of the examination and the physician's name and location. If additional information is required, the Insurance Company must notify the claimant, in writing, stating what information is needed and why it is needed.

If the claim is approved, the Insurance Company will pay the appropriate benefit.

If the claim is denied, in whole or in part, the Insurance Company will provide written notice within the review period. The Insurance Company's written notice will include the following information:

1. The specific reason(s) the claim was denied.
2. Specific reference to the Policy provision(s) on which the denial was based.
3. Any additional information required for the claim to be reconsidered, and the reason this information is necessary.
4. In the case of any claim for a disability benefit: identification of any internal rule, guideline or protocol relied on in making the claim decision, and an explanation of any medically-related exclusion or limitation involved in the decision.
5. A statement regarding the right to appeal the decision, and an explanation of the appeal procedure, including a statement of the right to bring a civil action under Section 502(a) of ERISA if the appeal is denied.
APPEAL PROCEDURE FOR DENIED CLAIMS

Whenever a claim is denied, there is the right to appeal the decision. A written request for appeal must be made to the Insurance Company within 60 days from the date the denial was received. If a request is not made within that time, the right to appeal will have been waived.

Once a request has been received by the Insurance Company, a prompt and complete review of the claim will take place. This review will give no deference to the original claim decision. It will not be made by the person who made the initial claim decision, or a subordinate of that person. During the review, the claimant (or the claimant’s duly authorized representative) has the right to review any documents that have a bearing on the claim, including the documents which establish and control the Plan. Any medical or vocational experts consulted by the Insurance Company will be identified. Issues and comments that might affect the outcome of the review may also be submitted.

The Insurance Company has 60 days from the date it receives a request to review the claim and provide its decision. Under special circumstances, the Insurance Company may require more time to review the claim. If this should happen, the Insurance Company must provide notice, in writing, that its review period has been extended for an additional 60 days. Once its review is complete, the Insurance Company must state, in writing, the results of the review and indicate the Plan provisions upon which it based its decision.
