Change your vendor selection(s).

Distribute your 401(a) employer contribution between TIAA-CREF and Fidelity. The change will be effective the 1st of the following month and the total contribution must equal 100%.

If you select TIAA-CREF as one of your vendors, you must invest 100% of your future contributions between the TIAA Traditional and/or CREF Stock Fund options by contacting TIAA-CREF at 1-800-842-2776 or logging on to www.tiaa-cref.org. Until you complete this second step, 100% of your future 401(a) contributions will be sent to the Plan default, an age appropriate Fidelity Lifecycle Fund.

If you select Fidelity as your vendor of choice, your contributions will be sent to the Plan default, an age appropriate Fidelity Life Cycle Fund. To redirect your contributions to other Fidelity Investment Funds, please contact Fidelity at 1-800-642-7131 or by logging on to www.fidelity.com/atwork.
